Dr. John Steele, Fire Chief 47 Years, Quits Lisbon Post

LISBON—Dr. John F. Steele, chief of the Volunteer Fire Department for the past 47 years, submitted his resignation to Village Council at a special meeting Wednesday night.

Now in his 51st year as a local dentist, Dr. Steele has been on the fire force 55 years. He took time out twice—a three-year course at Ohio Medical College, Columbus, to get his diploma in 1901 and a hitch as World War I athletic director in New South Wales, France and Germany.

Bliss Given Big Job For Brazil Mill

The F. W. Bliss Company announced today that it had been awarded the \$500,000 contract for the design and manufacture of hot strip mill auxiliary equipment to the Volta Redonda, Brazil, plant of Companhia Siderurgica Nacional (National Steel Company of Brazil).

The contract, which covers a hot strip mill roller, conveyors, tables and hot coil handling equipment, is part of a vast expansion program now in process by the Companhia Siderurgica Nacional.

The equipment will be built at F. W. Bliss Company's Rolling Mill Division in Salem, with deliveries scheduled to begin in the latter part of 1952.

According to Bliss officials, the contract marks the resumption of Bliss-Brazilian business relations after a lapse of several years. The company recently completed the installation of roughing and finishing mills at the Peruvian Mint, as part of other recent South American contracts.

\$100 Stolen From Hanover Agency

LISBON—Thieves broke into London Motor Sales at Hanoverton sometime Wednesday night and broke open a safe and soft drink machine to get approximately \$100 in cash.

Sheriff Howard J. Clark said the robbers used a hammer and chisel to cut the bottom of the safe after efforts to burn it open with a torch succeeded in only scorching the metal. Over \$10 worth of nickels was left scattered on the floor around the drink machine.

The thieves broke into the garage through a rear window.

ANSWER FALSE ALARM

Firemen were called to the residence at 404 W. Pershing St. at 11:37 p.m. Wednesday where chimney sparks caused a fire scare.

5 New Faces To Appear In City Family

City Solicitor Walter J. Hunston will administer the oath of office to Salem's in-going elective officials at a special Council meeting scheduled for 6 p.m. New Year's Eve at City Hall.

Attorney Hunston, who was unopposed for re-election to the city solicitor's office, will be sworn in by Mayor Harry M. Vincent.

Mayor Vincent, re-elected for his second term in office, will begin his 13th year as a city official Jan. 1, having served as a councilman and as president of council before he was chosen to his first term as mayor.

A potter by trade, Mayor Vincent resigned from his job at the Salem China Co. sometime ago.

Auditor at Work

Mrs. Helen R. Betz, proprietor of the Red Steer Restaurant and acting as city auditor since the death of Karl L. Webster Dec. 16, is the only woman and one of five new municipal officials chosen at the Nov. 6 election. Mrs. Betz previously served one term and part of another appointive period as auditor, being succeeded by the late Mr. Webster in 1932.

The four other newcomers to city offices were all elected to Council. They are: Councilman-at-large, George H. Bowman Jr., attorney, and Robert Carpenter, grocer and Veteran of Foreign Wars commander; First Ward, Herman C. Kniseley, garage owner and Third Ward, Frank Beverly, Electric Furnace Co. employee.

Outgoing Councilmen are President Curtis H. Vaughan and Councilmen-at-large George D. Chappell, who did not seek re-election, and Ralph W. White, leather and Harold J. Astory of the First and Third Wards respectively.

The holdover councilmen who will serve another term, are Ned Massa, Councilman-at-large who was elected to the presidency, and Carl Abe, Michael Schuller and Fred Koenreich, Fourth and Second Ward Councilmen and Councilman-at-large respectively.

Mr. Massa is an Electric Furnace Company draftsman, Mr. Abe, a Deming Co. employee and Michael Schuller and Fred Koenreich are Mullins Manufacturing Co. officials.

The other officer who will take his oath of office Monday is Orville Hoover, veteran city treasurer and manager of the Home Savings & Loan Co.

All the newly-elected officials except Council Vice President Fred Koenreich, Democrat, are Republicans.

W. Europe Nations Debate Unified Army

PARIS (AP)—Cabinet ministers of six Western European nations met here today in an effort to pool their men and munitions into a single European army. They remained silent on whether they thought it could be done.

The foreign ministers included Italy's Alcide de Gasperi, who is also premier; France's Robert Schuman; Belgium's Paul Van Zeland; Holland's Dirk U. Stikker; Luxembourg's Joseph Bech, and Prof. Walter Hallstein of West Germany's "foreign office."

Hallstein was sitting in for Chancellor-Foreign Minister Konrad Adenauer, who arrives here tomorrow. The finance ministers from the six nations did not attend this afternoon's session.

The first issue before the ministers was whether to run their proposed unified army with a single high commissioner or to put it in the hands of a board of commissioners. France and Italy were known to favor a single commissioner, while Belgium, Holland and Luxembourg want a board of commissioners.

Tennessee Gas Co. May Increase Rates

WASHINGTON (AP)—The power commission has authorized Tennessee Gas Transmission Co. to increase its wholesale natural gas rates by about 4 1/2 million dollars a year.

The Houston, Tex., firm had asked an 18 million dollar increase.

Tennessee wholesalers gas to distributing companies and other customers in Louisiana, Mississippi, Tennessee, Kentucky, West Virginia, Ohio, Pennsylvania, New York and New England.

The commission in its order said Tennessee is "reasonably entitled to the \$11,400,000 increase in order to provide revenue to meet its cost of service and realize a 6 per cent rate of return."

U.S. Fliers In Hungary Not Yet Released

Communist Regime
Still "Considering"
Ransom Payment

VIENNA (AP)—The U.S. embassy here said tonight the Hungarian Communist government is still "considering" the American offer to pay a fine for the freedom of four jailed U.S. fliers.

Such a stand conflicted with the announcement of Hungary's legation in Washington last night that the offer of \$120,000 in fines—called a ransom in the West—had been accepted for the prompt release of the four men.

Tonight's development raised doubts in the status of negotiations for release of the fliers, convicted of violating Hungary's borders after their plane lost its course on a Munich-Belgrade flight. It seemed possible the Hungarians had raised new conditions.

The ambassador here, Walter J. Donnelly, talked with George Abbott, U.S. charge d'affaire in the American legation at Budapest.

"The Hungarians merely told Abbott our proposition was being considered," Donnelly said.

The American officials in Budapest still hoped the fliers soon would be on their way to freedom. Abbott also expressed hope that the Hungarians—when their decision was made—would turn the fliers over to the U.S. legation in Budapest rather than dump them on the Austrian border without previous notice.

A group of American officials was ready to go to the border to meet the fliers. It waited for Soviet permission to cross the Russian occupied zone of Austria to the border town of Nickelsdorf, where Hungary in April released Robert A. Voegler, American businessman imprisoned 17 months by Hungary as a "spy."

Donnelly and his deputy, Walter A. Dowling, are the only American officials in Austria to have the right to move about the Soviet zone without prior Soviet authorization. They planned to go to the border if the Russians delayed authorization for the Nickelsdorf group to operate.

Three State Department limousines waited outside the embassy here for orders.

The new report from Budapest may mean delay, Walter J. Donnelly, U. S. high commissioner and ambassador in Austria, talked this afternoon with the U.S. legation in Budapest.

Gus Hall Receives 3-Year Jail Term

NEW YORK (AP)—Gus Hall, one of the 11 convicted Communist leaders, was sentenced today to three years in prison for criminal contempt of court.

The sentence is to be served in addition to a five-year term ordered when he was convicted with the other party leaders of conspiring to teach and advocate violent overthrow of the United States government.

The contempt conviction was based on charges that he failed to surrender last July 2 to begin serving his five-year term and that he violated a court order in leaving jurisdiction of the court. Hall fled to Mexico.

Federal Judge Sylvester J. Ryan imposed the contempt sentence, three years on each of the two contempt counts, to be served concurrently when he completes his five-year term.

Cloudy, Cold Weather Predicted For District

Sunny skies and low temperatures joined forces today to give Salem's brittle conditions conducive to small fry skating parties and wood-chopping chores.

State Forecaster Allen Flanders said only the extreme northeast tip of Ohio is cloud-covered and it would clear over that section also by tonight. He predicted that the temperatures throughout the state would range between zero and 10 degrees tonight.

Today's highs are expected to hover around the mid-twenties with slightly colder readings and increasing cloudiness due tomorrow. There is a possibility of snow late Friday or early Saturday.

LISBON—Police said a car driven by Anthony Rubino of 201 N. Market St. struck a parked sedan owned by Oda Casto of 322 N. Market St. at 1 a. m. today at the top of Market St. hill, inflicting damage on both cars.

Kennan Named To Moscow Post

Ambassador Receives
Soviet Endorsement

WASHINGTON (AP)—Russia has agreed to accept George F. Kennan as the new U. S. ambassador to Russia, almost at the same time denouncing him as a foe of the Soviets.

President Truman announced at Kansas City last night the selection of the 47-year-old career diplomat, who is credited with being a principal author of the present American policy of containment to counter the threat of Communist aggression.

Kennan will succeed former Rear Adm. Alan G. Kirk, whose request for retirement Presidential Secretary Joseph Short said Mr. Truman accepted with reluctance.

The announcement was made after the Kremlin orally informed the White House that Kennan would be acceptable. There had been some speculation that he would be turned down. It arose after attacks on him by both Pravda and Radio Moscow, the latest only yesterday.

Kennan, former State Department counselor and recently chief of Secretary of State Acheson's policy planning staff, is now on leave with the Princeton University Institute for advanced studies. He is expected to take over the ambassadorship probably in April.

Short said his nomination would be submitted to the senate for confirmation soon after congress reconvenes.

Kennan has had long experience in dealing with the Soviets, previous service in the embassy at Moscow, and speaks the Russian language fluently.

Church At Findlay Destroyed By Fire

FINDLAY (AP)—The First Presbyterian Church was destroyed by fire early today.

Only the walls of the 51-year-old stone structure are left standing, and firemen plan to pull them down.

The church recently completed a \$100,000 remodeling project. Firemen said replacement value of the building was about \$350,000.

Firemen battled the blaze for more than four hours before getting it under control. Traffic on U. S. Routes 25 and 68, and State Route 37 was disrupted for a number of hours, blocked by hose lines.

Cause of the blaze was not determined immediately.

TRAIN KILLS TWO

DAYTON (AP)—Two men died today when their automobile was hit by a Baltimore and Ohio mail-express train at a crossing northeast of here.

Earl Frederick, coroner's investigator, identified the dead as Russell Adkins, 20, and Franklin Shaffer, 26, both of Wright View Heights east of here.

Steel Crisis At Hand As Union Policy Makers Meet

PITTSBURGH (AP)—The steel crisis came to a head today with union policy makers meeting to decide whether to strike or work.

While leaders of the CIO-United Steelworkers gave no hint what kind of action they may take, it was believed generally they will vote to delay the nationwide strike set for New Year's day.

67 Planes Seek C-47 Missing With 8 Aboard

RED BLUFF, Calif., (AP)—Sixty-seven planes today searched for a missing air force C-47 (DC-3) with eight persons aboard.

They were searching between Red Bluff and Klamath Falls, Ore., with side sweeps into the Alturas and Susanville areas.

The two-engine C-47 left Spokane at 1 p. m. yesterday for Travis air force base in the San Francisco Bay area. It was last heard from at 4:15 p. m., with a report it was flying in the rain over Klamath Falls. There then was no hint of danger.

Today the Fourth Air Rescue Unit at Hamilton Field identified six of the eight men aboard.

The crew:

Capt. John O'Dell, 28, pilot, Vacaville, Calif.

Capt. Vernon Moe, 27, Vallejo, Calif., co-pilot.

A corporal, as aerial hitch-hiker.

Cpl. A. G. Garcia, 92nd installation squadron, Spokane.

Sgt. Y. M. Mikimi, 1905th airway and air communication service, Spokane.

Sgt. R. H. Peterson, 4114th armament and electronics squadron, Spokane.

Cpl. L. N. Peterson, 746th anti-aircraft warning station, Fort Cronkhite, California.

A captain, not identified.

The weather was bad as the plane disappeared.

Keep Sidewalks Open, Mayor Vincent Urges

Mayor Harry M. Vincent today requested Salem residents to keep their sidewalks open to passage by the use of salt, ashes or the removal of snow and ice.

Before some homes, he said, the condition of the walks necessitates pedestrian travel on the streets. Mayor Vincent stated that city street department workers are continuing to salt and ash intersections and side streets which are still in a hazardous condition because of the recent bad weather.

LISBON—Sheriff Howard J. Clark broadcast a stolen car report today for Paul Capan of Darlington, Pa., who said his 1938 blue four-door Chevrolet sedan was stolen sometime Christmas Eve from the Millrock-New Waterford Rd. Capan said he skidded off the road, spent the night in a farmhouse and found the car gone when he went back the next morning.

30-Day Period On Cease-Fire Line Runs Out

Infantrymen Fight
In Knee-Deep Snow;
Conferees Meet Again

MUNSAN, Korea, Friday (AP)—The 30-day Korean cease-fire line agreement ran out today on "a rather ominous note" in truce talks about Allied prisoner of war deaths.

There was no indication here of plans to extend the agreement responsible for the 30-day twilight war. The full five-man armistice committees which signed the original agreement Nov. 27 did not even meet. An official U.N. spokesman said neither side asked for an extension.

But in a subcommittee session at Panmunjom Thursday, Rear Adm. R. E. Libby said the Communists hinted: They may report many of the 50,000 unaccounted for Allied prisoners of war died of exposure and disease.

May Have Died

Libby said it was "a rather ominous note. It might have been a forewarning that all these people died of illness."

On the battle front Allied infantrymen fought in knee-deep snow and subzero temperatures today to regain an advance position cut off by attacking Reds near Heartbreak Ridge.

The Communists have been fighting intermittently since Christmas night to capture and hold the outpost.

In the air 100 Communist MIG-15 jets ran for cover when U. S. F-86 Sabre jets swept down on them with guns blazing.

Subcommittees working on the problems of exchanging war prisoners and supervising a truce still were deadlocked when they adjourned their last session before the scheduled expiration hour. The agreement was timed to run out at midnight Thursday.

Each committee scheduled another meeting for 11 a.m. Friday (9 tonight Salem time) in Panmunjom.

Extension Possible

Washington sources expressed belief Gen. Matthew B. Ridgway would approve a 15-day extension of the period in which the 145-mile line drawn across Korea Nov. 27 could become a permanent cease-fire line.

High diplomatic officials in Washington said the supreme U. N. commander had been authorized to approve an extension of up to 15 days if he felt there was hope of reaching an agreement.

On Nov. 27 negotiators drew a tentative cease-fire line and agreed it would become the center of a 2 1/2 mile wide buffer zone if an armistice were signed within 30 days.

Otherwise the line would be redrawn just before a truce is signed to follow changes resulting from battle action.

Expiration of the cease-fire line agreement could bring an explosive end to the month-long lull on the battle front; or the twilight war could continue while negotiations go on.

Two GI's Lost Three Days In Alaska Saved

ANCHORAGE, Alaska (UPI)—Two soldiers showed no ill effects today after a three-day ordeal in 20-below-zero weather in the wilderness 60 miles northwest of here.

A ski-equipped helicopter rescued M-Sgt. Marshall Farmer, 31, and M-Sgt. Albert Grossman, 41, yesterday after they were marooned Sunday while on a flying fishing trip.

The windshield on their light ski plane frosted over, forcing them to land on a small lake. The plane was slightly damaged on landing.

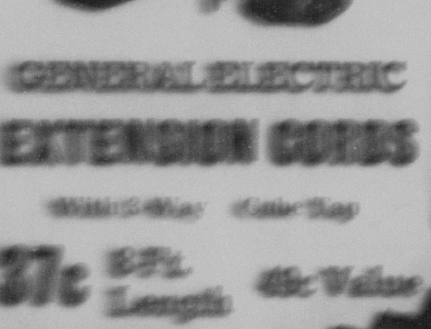

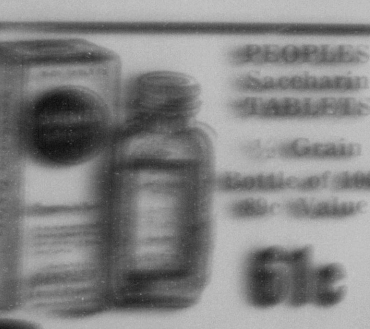

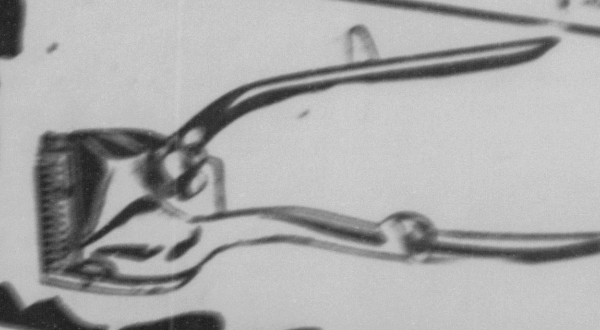

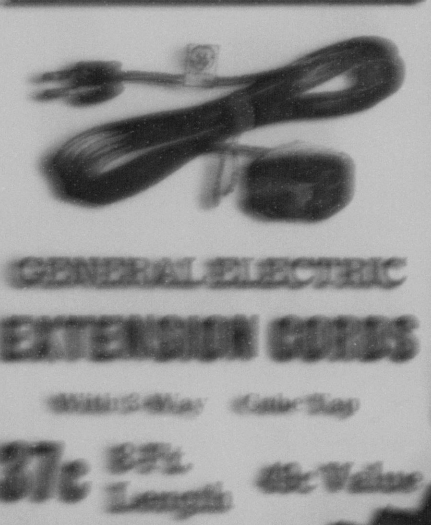

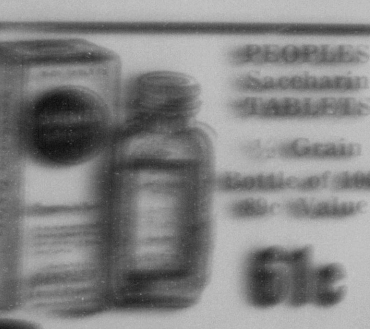

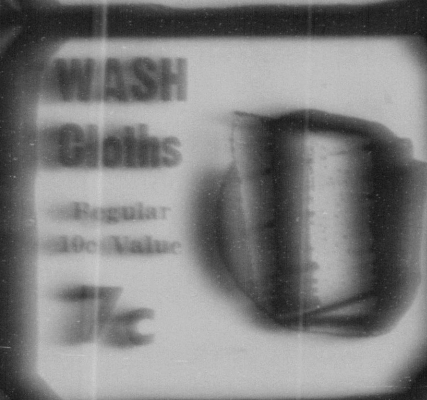

The men built a lean-to for shelter and ate emergency rations until Air Force search planes spotted them yesterday.

Liquor Applications Flood State Office

COLUMBUS (AP)—Liquor Director William C. Bryant said yesterday he is receiving applications for new retail liquor permits at the rate of 75 a day.

The flood of requests followed a Dec. 19 Ohio Supreme Court decision, ordering Bryant to accept and process the applications.

The court ruling upset a long-standing liquor department policy.

The department stopped issuing permits April 11, 1949, and did not accept new applications from that date until the Supreme Court ruling.

When the freeze was put on, the department had 1,200 applications and about \$700,000 in filing fees on hand.

Bryant estimated 2,000 more applications would be received by this weekend, and the deposits would reach the \$1,000,000 mark.

But Bryant said no new permits will be issued until the supreme court rules on cases involving the liquor department's freeze.

TV Fails To Affect Children In School Work, Survey Shows

CINCINNATI (AP)—Don't tell junior this, but a survey report said today that "the school performance of children is unaffected by whether or not they have television sets in their homes."

Dr. Raymond F. McCoy, director of the Xavier University graduate division, made known the findings of the Xavier survey today at a luncheon here for educators and members of the press.

The study was made possible by a grant from the Crosley Broadcasting Corp. It undertook to find the answers to two specific questions:

1. How do children who have television sets at home compare with other children in school achievement; and
2. Do children having sets at home do better school work when their parents closely control their viewing.

The survey also picked up a considerable amount of information about the television habits of children taking part in the study.

Walter J. Clarke, assistant professor of education, conducted the sampling. Nearly 1,000 children in the sixth and seventh grades of 16 representative public and parochial schools in the Cincinnati area participated.

No Appreciable Difference
In comparing the achievement of the children who had TV sets in their homes and those who didn't, Clarke reported his study yielded no appreciable difference. He found, too, that parental control of television habits was no great factor in the children's school work.

But Clarke warned that television, like any recreation, "can be used to excess which may result in damage to physical well-being and mental alertness."

He also cautioned that it would be "a gross misinterpretation of the data to hold that in the case of a given child, his habits of watching television could not affect his school achievement."

One startling fact to turn up was that the children polled spent more time watching television each week than in going to school. Over the week, counting Saturday and Sunday, the children spent 30 hours before their television sets as compared with the 25 hours spent in school.

And, just for the record, all that kidding about youngsters going for western programs isn't too far-fetched. A video comic (Milton Berle) rated as the most popular TV show with the pre-adolescents, but next in popularity came three western programs.

Take this last report to mean what you want, but Clarke also found that wrestling and mystery-crime shows appealed to the children of the lower IQ bracket.

Time Lessens Frozen Steak's Taste, Experiment Reveals

WASHINGTON, (INS)—Those sirloins and prime ribs will taste better if you don't keep them in your deep freezer too long. The Missouri experiment station says tests show that beef stored six months at from zero to 10 degrees is much better than that stored a year.

The station advised that if it is absolutely necessary to keep the beef in the freezer longer than a half year, the temperature should be kept below zero.

Another suggestion for keeping beef in freezers—even for a short period—is to wrap it in moisture-vapor resistant material. Heavy aluminum foil is best and waxed paper is poorest.

The Missouri experiment station countered the familiar rule that it's better to store meat at a higher, even temperature than at a low fluctuating temperature.

The station said most freezer temperatures fluctuate and that beef stored six months showed little change in appetizing qualities, moisture or weight when the temperature shifted between zero and 10 degrees.

The Agriculture Department put in a plug today for tomato juice. It pointed out that only 231,000 cases were sold in 1929 but that 21 million were marketed 15 years later.

One healthy aspect about tomato juice is that the whole tomato is used in preparation. Machines remove stems, skins, seeds and any coarse fibers and put the flesh in particles so fine that they are "suspended" in the juice and do not separate from it.

Juice is a much more economical product to handle than whole tomatoes. One reason is that the juice process is almost entirely mechanized and requires very little hand labor compared to that

for whole canned tomatoes. Also, many good tomatoes are unsuited to whole canning and can be used for juice.

Extensive Ohio Road Repairs Are Reported

COLUMBUS, (AP)—The state highway department yesterday reported it had to repair so many roads this year it couldn't build as many new ones as planned.

Highway Director T. J. Kauer reported 4,722 miles of roads were repaired. He said the severity of last winter and increased traffic damaged Ohio's roads more than usual.

But Kauer reported, 91 miles of new road and 90 new bridges with more than 20-foot spans were built.

PICTURE PARADE of NEWS in 1951

ONE THING everyone uttered agreement on in 1951 was a great desire for peace. Apparently all the shooting in various sections of the globe represented attempts to decide on a single method of achieving it. While truce negotiators expended words, troops in Korea expended their lives with UN casualties topping 100,000. In a lesser way, the shooting and bloodletting went on also in the Middle East, in Burma, in Malaya and other places. As if this weren't enough, Mr. Millionth died in U. S. traffic. However, medicine and other sciences did make contributions to life.

COMEX of his dramatic return to the U. S. following sudden transfer as supreme commander in the Far East by President Truman came for Gen. Douglas MacArthur when he addressed a joint session of Congress. He followed up with series of speeches attacking administration policy in Orient.

GREATEST SHOW of this or any year was furnished by a cast of the amateur but exceedingly able thespians who day after day enthralled the greatest television audience in history. Principals included Senator Estes Kefauver and his Senate crime investigating committee, a variety of big and little officials and a motley array of big and little racketeers.

ATOMIC RACE hurtled on between the U. S. and U. S. S. R. at the most rapid rate yet. America, determined to keep the upper hand, blasted the sands of Frenchman's Flat in Nevada for weeks with tests of new A-bombs and smaller atomic weapons. For first time, troops participated in some tests.

HAPPY INTERLUDE for President Truman among the tribulations of his office was the state visit by Princess Elizabeth, heir apparent to the British throne, and spouse, Prince Philip. While her father, King George VI, was recuperating from a serious illness, the prince and princess toured across Canada and back, looping below the border to visit Washington and place scores of thousands of thronging Americans under the spell of their charm as well.

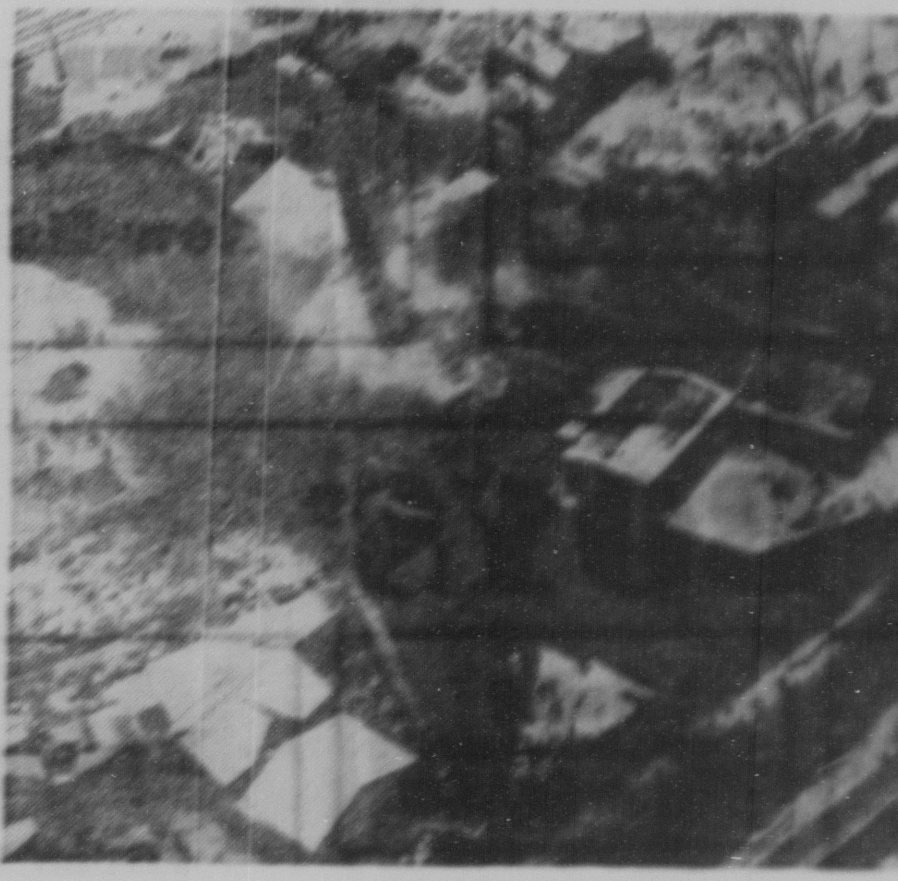

NATO AND SHAPE began to take form of men and planes and guns instead of a mere collection of initials as Gen. Dwight D. Eisenhower went about the task of discouraging Russia about an attack on the west. He assembled a polyglot staff at his sprawling new headquarters, went into the field (right, above) to look over his expanding forces on maneuvers.

SIX YEARS of socialist experiments by the Labor government wound up in defeat in Great Britain at the hands of Winston Churchill's Conservatives. Restored to his old job as prime minister, the 77-year-old wartime leader set out to see if he could put Britain back on its economic feet and thwart the forces threatening disintegration of the empire. The world—and the Laborites—watched for results, which might bear heavily on democracy's struggle.

AROUSAL BY PROBES of a variety of scandals in his administration in the pre-election year, President Truman discarded William M. Boyle (left) as Democratic national chairman and replaced him with Indiana banker Frank McKinney (right).

AS THE YEAR neared an end, a non-scheduled airliner crashed at Elizabeth, N. J., carrying its crew of four and 52 holiday-bound passengers to their deaths in the flaming wreckage. Ship had been airborne only seven minutes out of Newark.

"MR. REPUBLICAN," Ohio's Senator Robert A. Taft, started early, vigorously to be named Mr. President in '52 while everyone wondered whether Gen. Dwight Eisenhower would seek GOP nod.

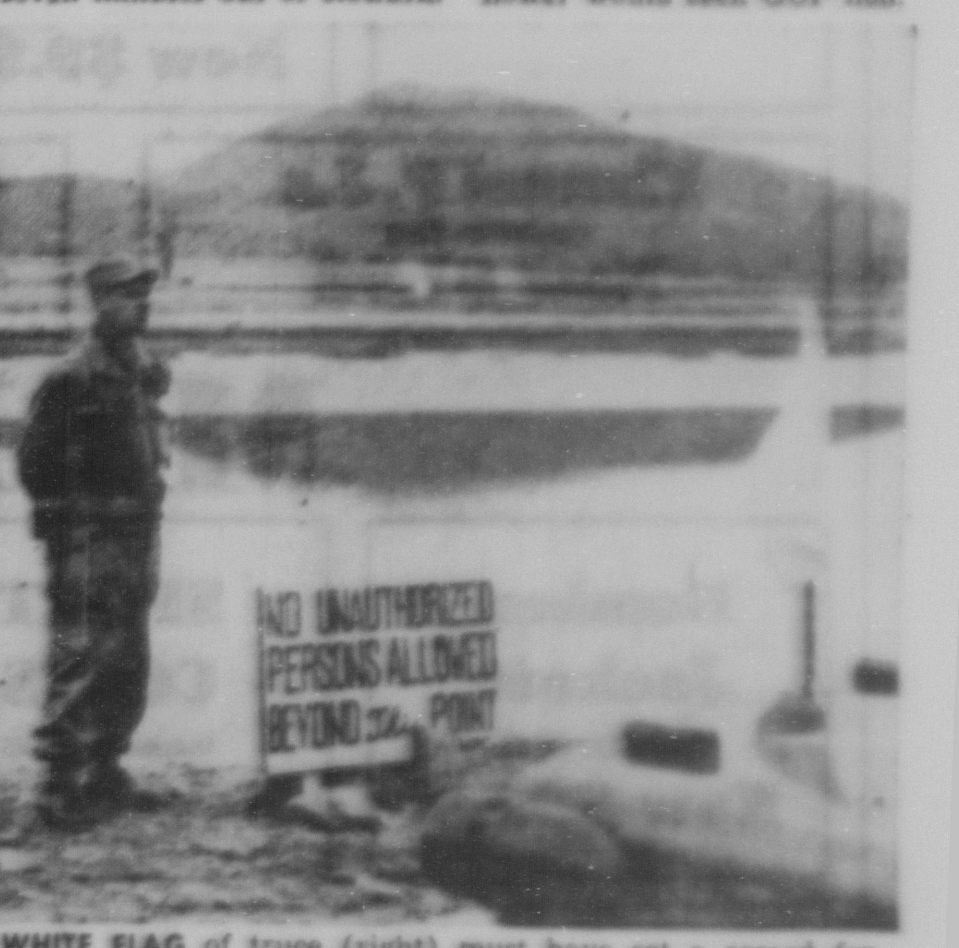

JAPAN regained the family of nations in San Francisco after Secretary of State Dean Acheson led defeat of Soviet attempts to scuttle treaty.

NEW CRISIS was presented to the western world when the Middle East yanked mightily at the whippers of the weakened British lion. Iran evicted the British from the important oil field; there, Egypt, watching, tried to follow suit by seizing the Suez canal and the Sudan, but the lion had taken enough. British military reinforcements poured into the area and prepared to stay. U. S. State department worked to keep Moslem world from Soviet embrace.

COMMUTER RUN of the Pennsylvania railroad's Broker came to an abrupt, tragic end when it plunged down an embankment along a temporary stretch of track, carrying 84 persons to grinding death at Woodbridge, N. J., in year's worst wreck.

WHITE FLAG of truce (right) must have set a record for number of appearances in any war. UN and Communist delegates carried on a weary war of words for endless weeks and months while the war of fire and steel continued to take its bloody toll. New UN Supreme Commander Gen. Matthew Ridgway divided his time between solemnly awaiting (left) truce reports from his delegates and directing battle strategy.

Try These New Orleans Recipes

THEY eat well around New Orleans. I've just been there and here are two little hints for better eating I picked up (and ate up in person).

Plantation Pork Pie

2 tablespoons flour
3 tablespoons fat
1 pound lean pork
1 1/2 cups water
1 teaspoon salt
1/4 teaspoon pepper
2 whole cloves
1 small bay leaf
4 or 5 small onions, peeled and halved
2 cups new green peas or canned peas

Brown the flour in a dry, hot skillet, stirring constantly. Add fat and cubed pork and brown the meat. Add water, seasoning, onions. Simmer 25 minutes, or until meat is tender. Add a little water as needed.

If the peas are new, add them to the meat mixture the last 10 minutes. If canned, add them just before the crust goes on. Pour in buttered baking dish and top with sweet potato crust. Serves 4.

Sweet Potato Crust

1 cup prepared biscuit mix
1/4 teaspoon salt
3 or 4 tablespoons milk
1 cup mashed yams
Combine biscuit mix and salt. Add milk, then mashed yams. Roll to 1/4-inch thickness on

floured board for whole crust or cut into biscuits. Top the pork mixture and place in hot oven (425 deg. F.) 20 minutes.

Trappes's Sautéed Okra

1 can cut okra
1 egg
1/4 cup cornmeal
1/4 teaspoon salt
1/4 teaspoon pepper
4 tablespoons fat
Drain okra. Beat egg slightly; mix together cornmeal, salt and pepper. Coat okra with egg, then coat with cornmeal; toss lightly with fork until well coated. Melt fat in skillet; add okra; fry until delicately browned turning occasionally. 6 servings.

In the past two decades, coffee consumption in the United States has doubled.

BLUE CHEESE SPREAD

4 ounces (1/4 cup firmly packed) blue cheese
8 ounces cream cheese
1/4 cup commercially-prepared sour cream
1/4 t. Worcestershire sauce
Have cheese at room temperature; put in mixing bowl and beat well together. Beat in sour cream and Worcestershire sauce. If spread is at all lumpy force through a fine sieve. Refrigerate so spread will get firmer before serving. Makes 1 1/2 cups.

OVERCOOK CAULIFLOWER?

Don't overcook cauliflower! When the vegetable is separated into cauliflowerets eight to ten minutes of gentle boiling will usually be plenty; if the whole head is cooked it will need twenty minutes or a little longer.

CHEESE-COATED FISH

Parboiled cheese, mixed with fine dry bread crumbs, makes a good coating for fish fillets that are to be fried. Dip the fish fillets into slightly beaten egg before rolling in the cheese-crumbs mixture.

COOKY TIPS

If you want your cookies to bake evenly be sure to make them of uniform size and thickness. Cookies that you don't have to wash with water when you're using them; just scrape them clean and wipe with a paper towel.

Therefore I say unto you, what things soever ye desire, when ye pray, believe that ye receive them, and ye shall have them.

Fare For New Year's

A GOOD choice for a New Year's Eve buffet supper is a main dish of Welsh Rabbit with chunky bits of ham atop slices of hot garlic toast. Add bowls of olives—both green and ripe—and sticks of crunchy celery to your table, plates of good strong coffee, and you'll be all set.

For teenage fare on New Year's Eve serve a fruit punch made festive with small candles in lemon-slice holders floating in the bowl. Fresh fruit and doughnuts can accompany the punch. If the doughnuts are store-bought be sure to heat them just before serving.

WELSH RABBIT
3 1/2 pounds milk American cheddar cheese
3 tablespoons vitaminized margarine
1/2 cup milk
1 cup evaporated milk

Plentiful Foods Keep Costs Down

To keep down food costs, try to stick to the plentiful foods in the market. They are usually cheaper.

In December, turkeys and oranges will head the list of plentiful foods. Broilers and fryers will be plentiful, too. There will be lots of pork and canned tuna. Here's the complete list prepared by the United States Department of Agriculture:

Oranges, apples, processed orange juice, raisins, dried prunes.

Broilers and fryers, turkeys, pork, honey.

Cottage cheese, nonfat dry milk solids, frozen white fish, frozen ocean perch fillets, canned tuna.

With holiday entertaining ahead, maybe you'd like this deluxe recipe for chicken breasts. You can buy breasts at a chicken parts store or else cut them from a large plump fowl.

Hints For New Year's Eve Party

IF YOU are planning a New Year's Eve party in the more elaborate manner, read on. Leonard Jan Mitchell, youngish owner of New York's famous old Luchow's Restaurant noted for its German specialties, worked out the following New Year's Eve at-home buffet party exclusively for this column. His menu—Schlemmerschnitte—Luchow Meat Balls—and Cherry Torte.

Schlemmerschnitte is really raw chopped meat garnished with caviar and chopped onions. To cut cost, you can use domestic red caviar instead of the imported black.

Schlemmerschnitte
2 pounds top round steak
4 slices freshly buttered hot toast
4 tablespoons fresh black caviar
1 1/2 tablespoons chopped onion
Remove all fat from beef. Grind meat fine. Arrange on toast. Garnish with caviar and place onions on the caviar. 4 servings.

For a hot snack, Mitchell suggests tiny, spicy meat balls, which can be kept piping hot in a chafing dish to be speared and eaten with colored food picks.

Luchow Meat Balls
1 pound beef
1 pound pork loin
1 pound veal
2 tablespoons chopped shallots
2 cloves garlic, mashed
1 tablespoon chopped fresh dill
1 cup cream, whipped
2 eggs, beaten
1/2 cup sugar
Pepper
1/2 teaspoon cayenne

GARLIC TOAST
1 clove garlic (minced)
1/2 pound vitaminized margarine
2 loaves unsliced bread
Crush garlic and mix with margarine. Slice bread to within 1/2 inch of bottom of loaf and spread slices with margarine mixture. Place loaves in paper bags, sprinkle bags with hot water, and heat at hot (400 F.) oven 10 minutes.

1 1/2 teaspoons salt
1 teaspoon pepper
2 tablespoons onion salt
1/2 cup olive oil
juice 1 lemon
1 large bunch fresh parsley, minced fine
1/2 cup flour
paprika
extra olive oil for cooking
Rinse chicken, wipe dry. Season with salt and pepper and onion salt. Lay pieces, one at a time, in a large dish; sprinkle with olive oil and lemon juice. Add generous sprinkling of parsley. Repeat until dish is full.

Cover and let stand in refrigerator 2 or 3 hours. When ready to cook, dip each piece in flour; heat 2 tablespoons olive oil in each of two heavy frying pans. When oil is hot, saute the chicken until well browned on all sides.

Dash lightly with paprika, cover pan, lower heat a little and continue to cook until chicken is tender, 35 to 45 minutes, depending on thickness of meat, 4 to 6 servings.

Your television set is too complex for amateur repairing attempts. You could get a severe shock. Play safe and call in a repairman.

1 teaspoon Worcestershire
4 tablespoons butter
Extra cream
Grind beef, pork and veal very fine, twice together. Mix meat with shallots, garlic, dill, whipped cream, eggs and sugar. All salt and pepper, cayenne and Worcestershire.

Stir and mix thoroughly with a wooden spoon, until well blended and smooth. If necessary, add a little more cream. Mold into small, neat balls about 3/4-inch in diameter. Saute in butter very slowly, over medium heat.

Do not disturb them. When half cooked, about 20 minutes, set pan in moderate oven (350° F.). When done, after another 20 to 25 minutes, add cream to make a thin gravy. Stir and serve at once. The finishing touches can be done in a chafing dish.

SACCOTASH IN SAUCE
Succotash is delicious served in a creamy mushroom sauce. To make the sauce just stir a third cup of milk into a can of condensed mushroom soup, add the drained cooked green lima beans and whole corn kernels, and heat.

Brighten your stone or brick fireplace for Christmas with a stiff brush, hot water and thick soapuds scrub.

Any cooked green peas left over? Chill and drain, then spoon them into a lettuce leaf, surround with thin slices of cucumber or tomato, and serve with a starchy French dressing.

In making Baked Alaska at home the trick is to be sure that both the cake and the very firm ice cream are completely covered by the meringue before the meringue is browned in the oven.

INCLUDE MILK
Milk and milk products give us all the calcium we need in our day-to-day diets. Include soups made with milk, creamed or scalloped dishes, milk desserts and ice cream often in family menus.

SPECIAL FOR CONSOMME
Finely shredded cooked carrots, snap beans, turnips and beets make a delightful addition to consommé. Add one to two tablespoons of the vegetables for each serving of the soup.

To lengthen the life of your refrigerator, open the door as seldom and as briefly as possible. When the door is opened, warm air rushes in, the temperature rises, and the motor is forced to speed up.

Stocks Bit Higher In Active Market

NEW YORK (UP)—Stocks, relieved of the pressure of tax selling, opened irregularly higher today with dealings fairly active.

Firestone lost 1½ points to 63 on the first sale, the widest change in the leading issues. A few others lost fractions, including American Telephone, American Smelting, International Harvester, Johns-Manville, Southern Pacific and General Motors.

Santa Fe firmed in the rails. Crane had a small gain in the building group while Johns-Manville eased. Oil issues held steady to firm in quiet dealings. Westinghouse and General Electric rose small amounts in their department. Chrysler registered a minor gain. So did U.S. Steel and Republic Steel.

Trading quieted after the opening with prices steady.
